Tim —

Thanks for dropping your business card by my house the other day. I'm glad I was able to help progress on the plaza with a little water. I was happy to help!

I'm also happy to have the opportunity to write this note and let you know what a fantastic job your crew has done on the monument. I've surveyed the progress over →

the past weeks and I've truly admired the craftsmanship. The stone work is flawless and we'll be able to enjoy it for years to come.

Please pass along my appreciation to your workers. I hope they are proud of all they have accomplished.

Rogers,

Mike
